

## Dick's Team Sports HQ App Overview

Welcome to the Dick's Team Sports HQ App! This app will allow you to view your calendar of events and communicate with other participants and volunteers on your team(s)! Parents and Volunteers will use the username/password that you use on the league's website.

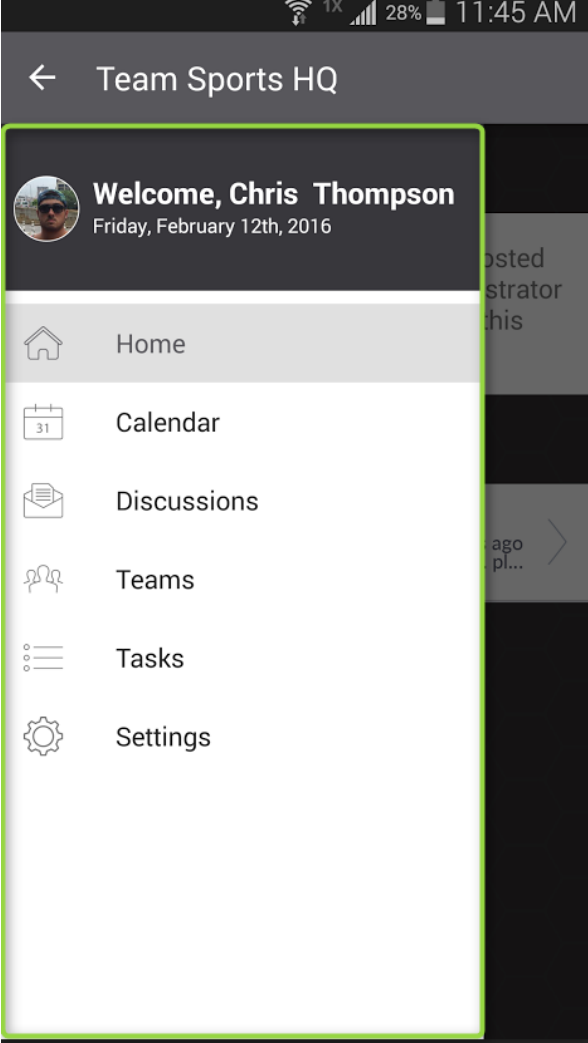

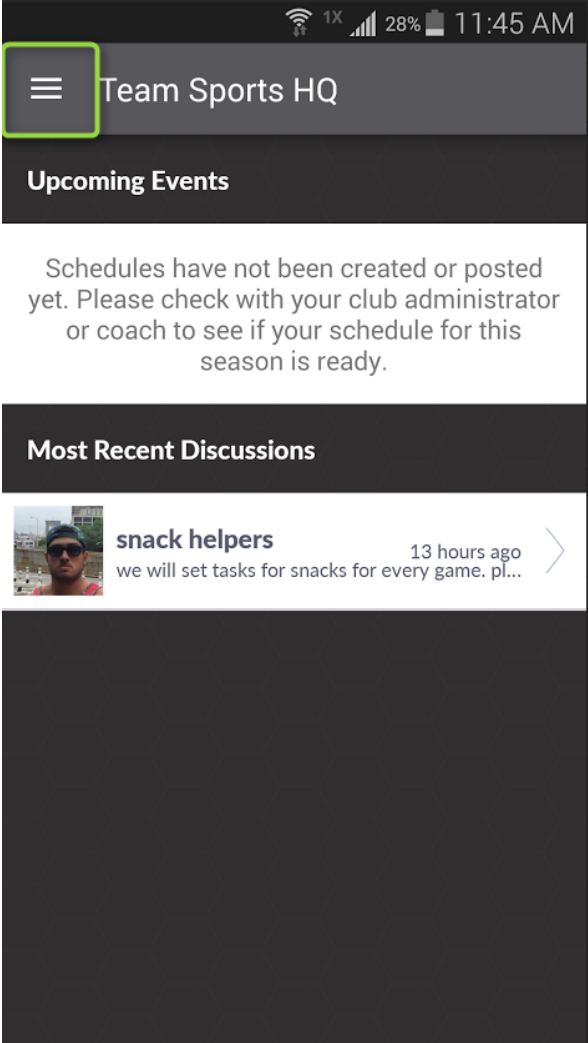

First, let's discuss the app navigation. It's a little different on iPhone and Android, but the menu will get you to the same place. Below is a screenshot of where the app navigation menu is located on different platforms.

You will need to locate the navigation buttons while in the app.

For iOS, the navigation buttons are at the bottom of the app screen.

For Android, you have a hamburger (three lines) navigation menu in the top left corner of the app screen.

## Home Screen

Once logged in, the home page will show you upcoming games for your participants and you can see the most recent team discussions.
